

HAPPY HOLIDAYS!

ADOPT A FAMILY!

**SUPPORT SURVIVOR(S) WHO COULD
USE A LITTLE EXTRA LOVE & HELP
DURING THE HOLIDAYS**

Why Adopt a Family?

Holidays are not all it seems for some victim/survivors. It can be stressful and frustrating for some, especially when thinking about the cost of gifts for their children.

How can YOU support?

You can relieve some of this stress - and also you can bring joy to their lives by adopting a survivor or family!

How does it work?

1. Email us by November 18th letting us know you want to adopt a survivor or family.
2. All names will be kept confidential from community members and will not be shared with the adopters.
3. You do your best to find items from the list and wrap up the gifts.
4. Contact us to arrange a pick up by December 16
5. Celebrate the holidays knowing you've also helped someone else celebrate theirs!
